RENEWAL CERTIFICATION OF REGISTERED CONTAINER CODE

(VALID FOR YEAR 2013)

This is to certify that the annual renewal protection fee has been duly paid for above mentioned year for container code:

OVZU

and consequently, this code remains registered and protected by BIC on account of :

JOINT VENTURE "OVZ-TRANS"LLC

for the current calendar year.

Furthermore, its validity shall be exceptionally extended by issuance of the annual invoice for renewal for the FOLLOWING YEAR around February, and with the receipt of payment in full within the following month.

Default in payment for annual renewal may result in cancellation of the Code by June of the year of renewal.

The owner should be reminded that registration with BIC is required by ISO standard 6346 and by the National Customs Administrations according to both Customs Convention on Containers (CCC-1972, revised 2008) and Istanbul Convention (1990, revised 2010). This grants the benefits of free circulation and temporary admission for containers carrying owner's code registered with BIC.
